To cut printing and postage costs, the SMA Annual Report would be uploaded to the SMA website (Members' Corner) for viewing.

The report would be available for download two weeks before the AGM. Email announcements would also be sent out to members.

Nevertheless, members who still wish to receive a hard copy of the Annual Report may request for one by completing the AGM response slip included in this month's mailbag.

The latest prescribing information is also available online at www.medi-bank.com.sg. This drug formulary is distributed free to all members under a collaboration with Vital Base. ■
