

SMA Seminar for Foreign-Trained Doctors 2011

If you are a foreign-trained doctor practising in Singapore, and are wondering about the intricacies of Singaporean culture and customs, join us at a seminar organised just for you!

This seminar aims to provide you with useful insights into Singapore, including our healthcare system. Through this seminar, SMA hopes to help you better understand and assimilate into our society, so that you can flourish to the best of your ability in the workplace, and bring about a better healthcare system for Singapore.

Limited seats are available for this complimentary seminar. If you are interested in registering, please log on to: <http://www.sma.org.sg/fds>. For further queries, please do not hesitate to contact us at 6223 1264 (Liena, Nura or Su Ling) or email membership@sma.org.sg.
