The Annual Lawyer/Doctor Networking Event 2011, A Passage to India, was held on 25 November 2011 at Krish, an Indian fusion restaurant in Rochester Park. It was jointly organised by the Association of Women Doctors (Singapore), SMA and Young Lawyers Committee (Law Society of Singapore), and the main sponsor was Performance Motors Ltd.

Doctors and lawyers spent the evening mingling, sipping cocktails and savouring hors d'oeuvres in lush green surroundings. All participants received a goodie bag, courtesy of the other event sponsors. Those present also had the opportunity to test drive two of the latest BMW models, a coupe and a convertible. A lucky draw was held, and the winner got to take the BMW convertible home for the weekend. This enjoyable event was definitely a perfect ending to a busy week. **SMA**
