Skyving Good Times was held on 11 April 2012 at Skyve Elementary Bistro & Bar. Tucked away in a quiet nook at 10 Winstedt Road, just behind Anglo-Chinese School (Junior), Skyve offers refuge from the hustle and bustle of the city.

SMA members and their guests spent an enjoyable evening in the lounge area, which was furnished with marble-topped tables, rocking chairs and wooden benches, contributing to an old school retro look. They savoured delicious canapes, such as mini beef burgers, crispy chicken wings and smoked salmon pizza, and knocked back drinks, which were all on the house.

Attendees had a good time catching up with old friends and making new ones. It was definitely a good way to spend their Wednesday evening to rest and recharge in preparation of the rest of the week.
